- A mannequin display unit is one totally coordinated outfit, dress or gown (one brand only preferred).
- Accessory Display Cubes (size 18" x 18" x 18") accommodate up to five items with a related theme. You may submit more items and allow the display coordinator to choose which items work best.
- Assignments made on a first-come, first-serve basis. The displays are limited to one per showroom/booth.
- No changes to displays will be made once market begins. If you have special instructions for the arrangement of merchandise, attach instructions to the commitment form or directly to the merchandise. We will try to accommodate requests but the location, presentation and placement of each unit will be the decision of the display coordinator.
