THERE'S NEVER BEEN A BETTER TIME TO DO DALLAS!

For 68 years, Dallas Market Center has served retailers and interior designers as a highly respected, leading provider of gift, home décor and complementary categories of merchandise from top brands. Spanning more than **5 MILLION SQUARE FEET**, the Market Center hosts more than a dozen trade events annually, serving over **200,000 buyers** visiting from **all 50 states and more than 85 countries**.

GET HERE FAST

Dallas Market Center is located minutes away from two major airports. Our facility offers more than 10,000 free parking spaces.

REST WELL, EAT WELL

Plenty of adjacent hotels fit every budget and offer comfort after a full day of business. Plus, hundreds of nearby restaurants and bars for every taste. Book your stay through Connections Housing, DMCTRAVEL@ConnectionsHousing.com or 214.744.7444, Opt #2.

HEALTHY, SAFE AND SECURE

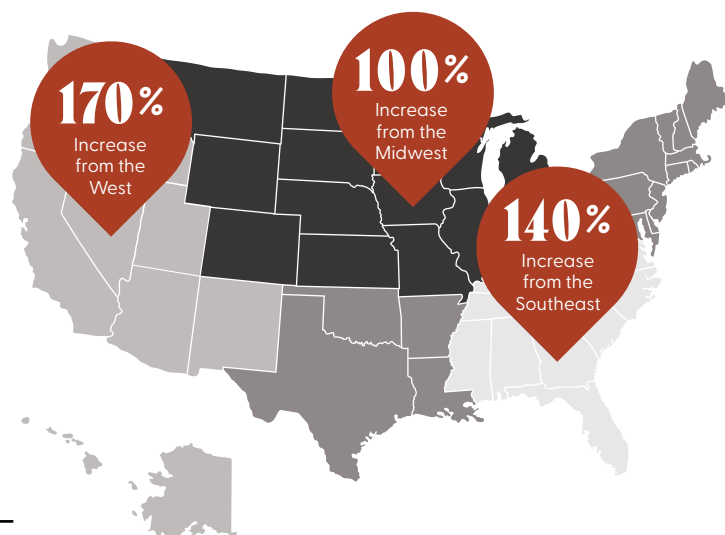

Comprehensive health and safety procedures have allowed us to operate successfully throughout the pandemic. Likewise, our self-contained campus, located 3 miles from downtown, means that our marketplace is not as vulnerable to many of the personal safety concerns (and added out of pocket expenses) that may give you pause at markets elsewhere.

THE FASTEST GROWING SHOW IN THE U.S.

TOTAL HOME & GIFT MARKET is the fastest-growing show in the U.S. welcoming tens of thousands of retailers from across the country, as well as leading brands in home décor and lighting, gift, gourmet, housewares, fashion accessories and much more.

With more products across all lifestyle categories, our marketplace offers the best brands that help retail thrive. That's especially important NOW! We are the **first show of the season** giving buyers their **first chance to secure the best products available**.

The **DALLAS** market continues to grow show after show. In January 2023, our buyer attendance exceeded the records set in 2022, with a particularly strong representation of buyers from the Central and Western U.S. Additionally the number of buyers visiting for the first-time outpaced pre-pandemic levels. From across the country we saw a 170% increase from the West, 100% increase from the Midwest, and a whopping 140% increase from the Southeast.
